Written and directed by physician Thomas Lilti (HIPPOCRATES, THE COUNTRY DOCTOR)

Director Thomas Lilti (HIPPOCRATES, THE COUNTRY DOCTOR) once again shows his knack for crafting intelligent comedies about the medical field with THE FRESHMEN, focusing on the fierce competition of the first year of medical school.

THE FRESHMEN follows Antoine (Vincent Lacoste, HIPPOCRATES) who is about to start his first year of medical school (for the third time) and fresh out of high school Benjamin (William Lebghil, ALL ABOUT YVES), who quickly realizes medical school won't be a walk in the park. With nights dedicated to hard studying instead of hard partying, the two freshmen will have to adapt and find a middle ground between despair for the present and hope for the future.
