"A GRIPPING REAL-LIFE COURTROOM DRAMA."

– THE HOLLYWOOD REPORTER

Ever since she served on the jury during his trial, Nora (Marina Foïs, *Sink or Swim*) has been convinced that Jacques Viguier (Laurent Lucas, *Raw*) is innocent, despite him being accused of murdering his wife. Following an appeal by the public prosecutor's office, and fearing a miscarriage of justice, she convinces a leading lawyer to defend him during his second trial, on appeal. Together, they will put up a tenacious fight against injustice. First time filmmaker Antoine Raimbault's crackling nail-biter is a cannonball of a legal thriller that never lets up for even a second.
